LONELY HEARTS

JOHN DEERE 1188 COMBINE HARVESTERS

Very tidy, attractive, well presented ladies with great bodies now seek farmer or contractor for long term relationship. We have both been on the same farm for nearly 20 years until replaced by a younger model. We haven't had many nights out but do love the sun on our backs and the straw between our walkers. We can do everything the younger models can but without the toys although we might need a grease.

STUART'S NEWS

CHESHIRE SHOW 2009

ONCE again I would like to say a big thank you to all of our customers, both old and new, for taking the time to visit our trade stand at this year's Cheshire Show.

Along with myself, Kevan, Mathew, Liz, Chris, Dave and John, we were joined by some new faces which included Nigel Worthington and Chris Goff. This was the first time that the two companies sales and support staff have attended a show together and it was a very well organised event with some great comments coming from customers.

After the great success of last year's show we did not think that we could have repeated the level of business completed over the two days, but once again with the help of several new franchises and technical support from their staff, Cheshire Show 2009 has again been a great show with four machines being sold off the stand along with the best ever show event for the sale of John Deere clothing, toys and other merchandise.

The combined sales and support staff of both Cornthwaite Agricultural Ltd and Agricultural Machinery (Nantwich) Ltd did a great job in preparing and organising this event and I would like to thank all members involved and I'm already looking forward to next year's show.

NANTWICH SHOW

Agricultural Machinery (Nantwich) Ltd will once be again present at the Nantwich Show.

The show is being held at DORFOLD PARK, NANTWICH, CW5 8LD on Wednesday, 29th July. Please take the opportunity to visit our trade stand on the day to see a wide range of equipment that we will have available along with (weather and demo's permitting) a star attraction (Chris Jacques + 7450 forager). As with the Cheshire Show there will be a range of special show offers along with sales and technical support from some of our top suppliers.

SALES NEWS

JOHN DEERE HOMEOWNER & LAWCARE SPECIALISTS

We are pleased to announce that we now offer the full comprehensive John Deere homeowner range, for all of your lawn care needs. We can offer a model from a 40cm walk behind lawn mower up to a 62 inch cut, ride on machine. As can be seen from the three models above the x534, x300r and R47, we also have demonstration units available.

All serviceable parts are readily available at our depots and we can source most parts for the complete John Deere range for the next working day.

Used equipment is also available and we have the facilities to service/repair and supply parts for all other makes of horticultural machines.

Further strengthening our group team is a new member of staff Barry Prophett – Lawncare Specialist (formerly of Burgess Nantwich), who brings to us 15 years of horticultural technical knowledge.

We believe we can now offer a solution to all your lawncare needs and look forward to your call.
